Subject Index
Volume 23

A

Abortion, RU 486 as alternative to, 555
Activity restriction, for preterm labor, 246
Adolescent mother: caregiving, approval and family functioning of, 791
Adult respiratory distress, in pregnancy, critical care issues of, 773
Advance practice nurse, in maternal-fetal physical assessment in home setting, 720
Aging women, ethical debates on, 144
Ambulance transport, mechanical vibration in, 457
Amnioinfusion, 573
Analgesia, epidural, self-administered vs. nurse-administered after cesarean section, 99
Anesthesia, maternal hypothermia and, 238
Antepartum home care
  nursing protocols, 687
  patient satisfaction with, 707
ARDS. *See* Adult respiratory distress

B

Bed rest, for high-risk pregnant woman, 696
Behavioral cues, in infant stimulation, 581
Bereavement, perinatal, professional bereavement photographs, 22, 455
Biophysical profiles, interpretation of, 405
Birth defects
  ethical issues in, 498
  genetic implications of, 502
  hazardous exposures during pregnancy and, 524
  parental adjustment to child with, 516
  prenatal diagnosis of, 506
Blastomere analysis
  issues of, 379
  technology and use of, 229
Bone fragility, assessment of risk for, 260
Book reviews
  Birth Stories: Mystery, Power, and Creation (Dwinell), 69
  Clinical Maternal-Fetal Nutrition (Luke, Johnson, Petrie), 731
  High-Risk Pregnancy: A Team Approach (Knuppel, Drukker), 69
  Manual for Family Centered Care Program Development (Olson), 617
  Maternal & Neonatal Nursing: Family-Centered Care (3rd ed.; May, Mahlmeister), 617
  Physical Assessment of the Newborn: A Comprehensive Approach to the Art of Physical Examination (Tappero and Honeyfield), 352
  Surrogate Motherhood--A Worldwide View of the Issue (Pretorius), 731
  Women and Children in Health Care: An Unequal Majority (Mahowald), 352
Breastfeeding
  comfort measures in, 46
  fathers and, 376
  LATCH charting system and documentation tool, 27
  techniques of, 550

C

Caregiver education program, for home oxygen therapy, 429
Cesarean section
  major concerns of women after, 53
  responses to vaginal birth after, 253
  self-administered vs. nurse-administered epidural analgesia after, 99
Childbearing
  ethical debates on, 144
  gender differences and perceptions about, 593
Childrearing, father's involvement in, 208
Clinical care delivery, 96
Clinical nurse specialist, research process and, 336
Comfort, postpartum, for substance-using and nonusing women, 293
Communications technology, in patient education, 451
Community hospital preterm birth prevention program, nursing model for, 756
Counseling, for Norplant users, 387
Creighton model ovulation method, use effectiveness of, 303
Crib, open, transition of preterm infant to, 321, 329
Cystic fibrosis, parental adjustment to child with, 516

D

Delivery. *See also* Cesarean section
  cesarean, major concerns of women after, 53
  vaginal, after cesarean section, 253
Delivery nurses, women's evaluations of, 413
Demographic trends, 113, 124
Development
  disabilities, genetic implications of, 502
  environmental influences on an premature infant, 393
  intervention in based on physiologic and behavioral cues, 581
Documentation tool, LATCH, 27
Drug abuse. *See* Substance abuse

E

Editorials, 10, 96, 208, 291, 373, 451, 547, 635
Education
  hardware and software for, 451
  for home-care providers, 714
  for home oxygen therapy, evaluation of, 429
  for Norplant users, 387
  nursing, 637
  professional nursing, in future, 153
Emotional stress
  of child with genetic disease, 516
  for expectant fathers in preterm labor, 246
Entrepreneur, nurse, in perinatal home care, 726
Environment
  in premature infant development, 393
  temperatures of, research on, 341
Environmental hazards
  ethical issues in genetic therapy and, 498
  exposure to during pregnancy, 524
  genetic implications of, 502
Estrogen deficiency, treatment of, evaluating risks and benefits of, 647

Ethics
of childbearing, reproductive control, aging women, and health care, 144
in genetic therapy, 498
Eugenics, 498
Evaluation, of caregiver education program, 429

F

Family
adolescent mothers and functioning of, 791
of future, 113, 124
Muslim, childbearing, nursing care of, 767
Family planning
for healthy nations, 547
natural, 637
natural, Creighton model ovulation method of, 303
Father
breastfeeding and, 376
in childrearing, 208
high-risk pregnancy experience of, 421
maternal activity restriction for preterm labor impact on, 246
Fetal monitoring program, for nursing practice and education, 34
Fetus
hazardous exposures of, 524
heart rate monitoring of, 375
surgery on, changing outcomes before birth, 166
Future
genetic-based and assisted reproductive technology of, 160
genetics in, 477, 481, 488
home care in, 9–E
perinatal health care policy in, 124
professional nursing education in, 153
trends influencing nursing informatics of, 175
women and family in, 113
of women's health and perinatal nursing in 21st century, 183

G

Gamete donation, 492
Genetic defects, blastomere analysis in detection of, 229
Genetic disease, parental adjustment to child with, 516
Genetic screening, blastomere analysis for, 379
Genetic support groups, role of, 519
Genetics
in assisted reproductive technologies, 492
developmental disabilities and, 502
ethical issues in, 498
evolution of nursing role in, 481
in future, 477, 481, 488
in reproductive technology of 21st century, 160
Genius grants, 373
Genome project, 488
Gonadotropin-releasing hormone agonists, uses of, 563
Grief, 455

H

Health care consumers, research utilization and, 350
Health care policy
decade for change in, 139
ethical debates on, 144
Health care reform, as ongoing process, 129
Heart rate monitoring, fetal, 375
High-risk pregnancy, home care for, 696
Hispanic women, substance abuse among, 609
Home care
antepartum
nursing protocols for, 687
patient satisfaction with, 707
education for providers of, 714
in future, 635
of high-risk pregnant woman requiring bed rest, 696
infusion therapies for obstetric patients in, 675
maternal-fetal physical assessment in, 720
perinatal
entrepreneur's experience of, 726
essential program components of, 667
hospital-based programs, 682
risk management and legal issues in, 659
Home oxygen therapy, evaluation of education program for, 429
Hormonal regulation, GnRH agonists in, 563
Hormone replacement therapy, evaluating risks and benefits of, 647
Hospital-based perinatal home care, 682
Hypothermia, maternal, implications for obstetric nurses, 238

I

Implementation, of research project, 345
Infant
preterm
environmental influences on, 393
nipple feeding in neonatal intensive-care unit, 105
parental interventions and development of, 60
transition to open crib, 321, 329
readiness for oral feeding in intensive-care units, 783
stimulation of, 581
Infertile couples
behavior of, 749
gender differences and perceptions about childbearing in, 593
Infertility
gender differences and perceptions about childbearing and, 593
infertile couples' behavior and, 749
ovarian hyperstimulation syndrome with treatment of, 217
Infrared tympanic thermometry, for neonatal temperature assessment, 798
Infusion therapies, home, 675
Intensive-care units, neonatal, national survey of, 783
Interventions
based on physiologic and behavioral cues, 581
for preterm labor treatment, 756
Intrapartal nursing care, research-based, 170

L

Labor
assistants in, 637
preterm, activity restriction for, 246
women's perceptions of nursing support during, 638
Labor nurses, women's evaluations of, 413
LATCH breastfeeding charting system, 27
Legal issues, in home care, 659
Letters, 12, 97, 375, 455, 550, 637
Loss, 455
Lubic, Ruth Watson, genius grant to, 373

M

March of Dimes, perinatal health indicators of, 10
Maternal-fetal physical assessment, in home setting, 720
Maternity care, changes in, impact on nurses and nursing practice, 603

Maternity nurses, impact of changes in care on, 603
Maternity support services program, 467
Mother
  activity restriction for preterm labor, effects on expectant father, 246
  adolescent, caregiving, approval and family functioning of, 791
  high-risk pregnancy experience of, 421
  hypothermia, implications for obstetric nurses, 238
  perception of nursing support during labor, 638
Muslim family, nursing care for, 767

N

Neonatal care, partnerships in, 210
Neonatal intensive-care unit
  national survey of, 783
  nipple feeding premature infants in, 105
Neonatal transport, reverse, model in, 210
Neonate, temperature assessment of, 798
Nipple feeding, of premature infants in neonatal intensive-care unit, 105
Nipple pain, 12, 375
Norplant users, education and counseling for, 387
Nursing education
  future trends in, 153
  future trends of, 183
Nursing informatics, future trends influencing, 175
Nursing model, preterm birth prevention, 756
Nursing practice, changes in maternity care and, 603
Nursing protocols, antepartum home care, 687
Nursing staff
  research implementation with, 345
  utilization of in home care, 659
Nursing support, during labor, women's perceptions of, 638
Nutrition, oral, criteria to determine readiness for, 783

O

Obstetric patients, high-risk, home infusion therapies for, 675
Oral feeding, criteria to determine readiness for, 783
Outcomes, of maternity support services program, 467
Ovarian hyperstimulation syndrome, protocols for nursing care of, 217
Ovulation induction agents, ovarian hyperstimulation syndrome and, 217
Ovulation methods, Creighton model, use effectiveness of, 303

P

Pain, nipple, 12, 375
Parents. *See also* Father; Mother
  adjusting to child with genetic disease, 516
  interventions for and preterm infant development, 60
  perspective of on research utilization, 350
Patient education, communications technology in, 451
Patient evaluations, of labor and delivery nurses, 413
Patient satisfaction, with antepartum home care, 707
Patient transport, mechanical vibration in ambulances, 457
Perinatal bereavement program, photographs in, 22, 455
Perinatal health, indicators of, 10
Perinatal health care
  of future, 183
  policy and family of 21st century, 124
Perinatal home care
  entrepreneur's experience of, 726
  essential program components of, 667
  hospital-based programs, 682
Perinatal outcome, amnioinfusion in improving, 573
Physiologic cues, in infant stimulation, 581
Postpartum comfort, for substance-using and nonusing women, 293
Pregnancy
  adult respiratory distress in, 773
  hazardous exposures during, 524
  high-risk
    experience of, 421
    home care for, 696
Prenatal diagnosis
  assisted reproductive technologies and, 492
  in future, 481, 488
  in 1990s, 506
Preterm birth prevention program, community hospital nursing model for, 756
Preterm infant
  developmental stimulation of based on physiologic and behavioral cues, 581
  environmental influences on development of, 393
  nipple feeding in neonatal intensive-care unit, 105
  parental interventions and development of, 60
  transition to open crib, 321, 329
Preterm labor, effects on expectant father, 246
Prevention, of bone fragility, 260
Primiparous women, comfort measures in breastfeeding for, 46

R

Reproductive control, ethical debates on, 144
Reproductive technology, genetic-based and assisted, 160, 462
Research
  clinical nurse specialist and, 336
  consumers of care and, 350
  on environmental temperatures, 341
  future trends of, 183
  in intrapartal nursing care, 170
  utilization of, 291, 313
  in working with staff, 345
Risk
  assessment of, for bone fragility, 260
  management of in home care, 659
RU 486, as alternative to surgical abortion, 555

S

Self-administered epidural analgesia, versus nurse-administered, 99
Sensory stimulation protocol, based on physiologic and behavioral cues, 581
Societal trends, 113
  health care policy and, 144
  influencing nursing informatics, 175
Staff. *See* Nursing staff
Substance abuse
  among inner-city hispanic women, 609
  perinatal, postpartum comfort and, 293
Support groups, genetic, 519
Support services program, participants and outcomes of, 467
Surgery, fetal, 166

T

Technology
  assisted reproductive, 492
  trends in influencing nursing informatics, 175

Teenage parent. *See* Adolescent mother
Temperature assessment, neonatal, infrared tympanic thermometry in, 798
Teratogen exposure, during pregnancy, 524
Therapy techniques
  solution-oriented, for women's health nurses, 16, 455
Thermoregulation
  maternal, 238
  research on, 341
Transport, mechanical vibration during, 457

V

Vaginal birth, after cesarean section, 253

W

Women, in future society, 113
Women's health care
  changing policy for, 139
  of future, 183
Women's health nurses, solution-oriented therapy of, 16, 455
Writing style, 97

STATEMENT OF OWNERSHIP, MANAGEMENT AND CIRCULATION (Act of August 12, 1970: Section 3685, Title 39 United States Code) Date of Filing—October 1, 1994. Title of Publication—Journal of Obstetric, Gynecologic, and Neonatal Nursing; Frequency of Issue—9 issues annually; Annual Subscription Price—$60.00; Location of Known Office of Publication—12107 Insurance Way, Suite 114, Hagerstown, MD 21740; Location of the Headquarters or General Business Offices of the Publisher—227 East Washington Square, Philadelphia, PA 19106; Publisher—J. B. Lippincott Co., 227 East Washington Square, Philadelphia, PA 19106; Editor—Karen B. Haller, RN, PhD, The Johns Hopkins Hospital, Medical Nursing Department, Rm. 9054, 1830 Monument St., Baltimore, MD 21205-2100; Managing Editor—Lillian Biller, Association of Women's Health, Obstetric, and Neonatal Nurses, 700 14th St., N.W., Suite 600, Washington, DC 20005-2019. Owner—Association of Women's Health, Obstetric, and Neonatal Nurses, 700 14th St., N.W., Suite 600, Washington, DC 20005-2019. Known Bondholders, Mortgagees, and other security holders owning or holding 1 percent or more of total amount of bonds, mortgages, or other securities—none. A. Total no. copies printed (*net press run*), average 34,867, actual 32,700; B. Paid circulation 1. Sales through dealers and carriers, street vendors and counter sales, average none, actual none; 2. Mail subscriptions, average 30,779, actual 30,640; C. Total paid circulation, average 30,779, actual 30,640; D. Free distribution by mail, carrier or other means. Samples complimentary, and other free copies, average 493, actual 476; E. Total distribution (*sum of C and D*), average 31,272, actual 31,116; F. Copies not distributed 1. Office use, leftover, unaccounted, spoiled after printing, average 3,595, actual 1,584; 2. Returns from news agents, none: G. Total (*sum of E and F—should equal net press runs shown in A*), average 34,867, actual 32,700. I certify that the statements made by me above are correct and complete. Virginia B. Martin, *Vice President, Journals.*
